Beam Table Lamp a sleek, functional addition to any outdoor setting, combining energy-efficient technology with contemporary style. Constructed from UV-protected aluminum powder-coated finish, this compact lamp features a cylindrical perforated shade for soft ambient lighting, mounted on a slender pole with a stable circular base.

A discreet black solar panel sits atop the lamp, equipped with an integrated sensor-operated on/off function and a light-sensing switch. Designed for modern outdoor living, it includes a USB Type-C cable for dual charging options—solar or direct power making it versatile for any surface.

Perfect for patios, balconies, garden furniture, or outdoor dining sets, the Beam Table Lamp elevates evening ambiance with adjustable brightness and minimalist elegance, adding a touch of artful décor to your exterior spaces. available in Mocha, Light Green and Charcoal color
